

Hometown Hero Banner Project for Middleport, New York

Many towns and villages throughout the state have taken the opportunity to thank the servicemen and servicewomen who served in the US Armed Forces by displaying banners with their photos. Middleport had three very successful years with some 125 banners displayed throughout the village. These banners were purchased by their families or friends and then were prominently displayed through the summer months on various streets throughout the community. Because of the high interest in continuing this project, Middleport will once again have enrollment for the 2023 season starting November 1st and ending December 15th, 2022.

Banner Information

The banners are going to be 30" by 60", double sided photo, vinyl material and will include the following factual information: Name of the serviceman/woman; branch of service; era of service and any special honors. Banners will be displayed on poles located on Main, State, Vernon, Park, Church and other main routes through the village. They will hang from Memorial Day through Veteran's Day and then stored for the winter, to be hung again the following year. THE PLACEMENT WILL BE RANDOM AND WE CANNOT HONOR REQUESTS FOR LOCATIONS. Depending on demand, the number of banners purchased for 2023 will be capped off at 50. At the end of the season, banners will be stored in the Village Hall but families may request the return of their banner after Veteran's Day.

Requirements

All service men and women must meet these requirements:

1. Have resided within the village limits of Middleport, New York presently or at some time in their lifetime
2. Served or are serving our country in Army, Air Force, Coast Guard, National Guard, Marines or Navy
3. Must be presently serving, or be an honorably discharged veteran, or MIA or died in the line of duty.

Banner Pricing

Each banner will cost family/friend a total of \$200, which includes the double sided vinyl banner, hardware for hanging and storage. The banner is the property of the family and can be returned to them if requested at the end of each season. The company suggests a three-year guarantee for the banner.

Sponsorship

For individuals or businesses who would like to be a sponsor without purchasing a banner, monetary donations will be used for expenses beyond the cost of the banners and hardware. Donations have made the printing of the Hometown Heroes booklets possible the past two years.
