

A regularly scheduled meeting of the Board of Trustees was held on Monday, October 16, 2023, in the Village Hall. Mayor Dodge opened the meeting at 7:00 p.m. Also present were Deputy Mayor Conley, Trustee Blumrick, Trustee McAvoy, Trustee Barr, Coordinator Bobbitt, Police Chief Swick, Fire Chief Czaja, Clerk-Treasurer VanBuren, and Tom Seaman, attorney.

Deputy Mayor Conley led the Pledge of Allegiance.

There were several residents, members of the Middleport Volunteer Fire Department, and members of other fire departments in attendance, as well.

Two members of the Gasport Memorial Post No. 1253 of the American Legion were in attendance to recognize Middleport Police Officer Joshua Mandaville. David Patton and Scott Wymyczak presented Officer Mandaville with the NYS American Legion Law Enforcement Officer of the Year Award for 2022-2023 and the Niagara County American Legion 8th District Law and Order Law Enforcement Officer Award. Assemblyman Mike Norris was unable to attend the meeting, but his office delivered a Proclamation for Officer Mandaville. Chief Swick read the Proclamation recognizing Officer Mandaville for his two heroic life-saving efforts in the line of duty last year. Kathy Kindle from the Middleport Clute-Phillips American Legion Post #938 also framed a newspaper article for Officer Mandaville.

Mayor Dodge opened the discussion regarding LOSAP (Length of Service Award Program) for the Middleport Volunteer Fire Department. He voiced his concerns regarding the letter the Middleport Volunteer Fire Department mailed out with misinformation as to the actual cost of the program the taxpayers would be voting on.

Darren Burdick stated that the 93 cents per thousand was if the Village amortized the cost over twenty years. Mayor Dodge said that it would be like buying a new car and paying for it over twenty years rather than ten years. Everyone knows that you would be paying a lot more, and the Village has no intention of doing that.

Darren Burdick would like the 53 cents per thousand to be referenced in the referendum. Attorney Seaman advised that the referendum has to go up for vote as the Village of Middleport administering the program. It is speculative at this point to reference a lower figure since an intermunicipal agreement would be negotiated at a later date.

Mayor Dodge opened the floor to those in attendance.

Allan VanBuren questioned how will the LOSAP program affect the overall Village budget going forward.

Kellie Lepard read a prepared statement thanking the firefighters for their service, but also expressing her disappointment in their actions since the last Village Board meeting.

Scott Kassmann talked about his years of serving as a volunteer firefighter for his community. He wants a special election to be held so the Village taxpayers can decide.

Mayor Dodge reintroduced the following resolution with the \$1.27 per thousand dollars of assessed property value.

Resolution of the Board of Trustees of the Village of Middleport, in the County of Niagara, State of New York, Calling a Special Election on December 5, 2023, Directing Publication of Notices of Election, and Determining Other Matters in Connection Therewith.

Resolved by the Village Board of Trustees of the Village of Middleport, by favorable vote of not less than 60% (3/5) of the members of the Middleport Board of Trustees, acting as the Fire Commissioners of the Village of Middleport Volunteer Fire Department, as follows:

Whereas, a length of service award program (LOSAP) is authorized by Article 11 – a of the General Municipal Law; and

Whereas, the purpose of said legislation is to encourage volunteer firemen to remain active within their respective fire companies and further to promote interest in the volunteer service and to encourage new members to join and remain active as volunteer fire members; and

Whereas, the Village of Middleport Volunteer Fire Department has been incorporated as the Middleport Volunteer Fire Company No. 1, Inc., an incorporated volunteer fire company with its principal office in the Village of Middleport, New York, for the purposes of, among other things, to enable the Middleport Volunteer Fire Department/Middleport Volunteer Fire Company No. 1, Inc. to contract with municipalities, including the Village of Middleport and municipalities outside of the Village of Middleport, for the provision of fire protection services, and

Whereas, it is in the interest of the residents of the Village of Middleport to provide a LOSAP for the Village of Middleport Fire Department/Middleport Volunteer Fire Company No. 1, Inc.; and

Whereas, the Middleport Fire Department/Middleport Volunteer Fire Company No. 1, Inc. has contracts to provide fire protection services to the Village of Middleport, the Town of Royalton and the Town of Hartland; and

Whereas, Middleport Fire Department/Middleport Volunteer Fire Company No. 1, Inc. is entered into mutual aid agreements by and amongst various other Fire Companies and Fire Departments in the region, including but not limited to those Companies and Departments servicing the Town of Royalton Fire Protection District and the Gasport Fire District, and

Whereas it is the desire and intention of the Village of Middleport to seek intermunicipal cooperation agreements, to provide for the shared funding and administration of the various LOSAPs, with similarly situated municipalities in the region, where fire protection services are routinely covered through mutual aid agreements, such other municipalities to include, but potentially not be limited to, the Town of Royalton Fire Protection District and the Gasport Fire District, which are each seeking to each establish a LOSAP for the volunteer fire companies located within each municipality.

Now, Therefore, be it Resolved as follows

Section 1. Board of Trustees of the Village of Middleport, acting as Commissioners of the Village of Middleport Volunteer Fire Department, does hereby approve the adoption of a length of service award program (LOSAP) as provided in Section 216 of the General Municipal Law, and shall conduct a mandatory referendum to determine whether the Village of Middleport shall establish and provide a defined benefit program for Active Volunteer Firefighters as provided in Section 215 and 219 of the General Municipal Law.
