

2025 FREE RABIES IMMUNIZATION CLINICS

Public Health
Prevent. Promote. Protect.

Clinic registration is required. Walk-ins will NOT be accepted

Cat and dog owners are asked to bring proof of previous rabies vaccination in order to receive a certificate valid for three years. Pet owners without proof of vaccination will receive a certificate valid for one year. Ferrets need annual rabies vaccination regardless of previous vaccinations. **By law, all pets must be vaccinated by 4 months of age.** All animals must be properly restrained, cats and ferrets must be in a box or carrier. Dogs must be leashed.
